**IQ ENGINEERING - INNOVATION - QUALITY - ENGINEERING** You name it "IQ will tailor it to your needs! MOBILE BIN FEEDERS \$1100+, over 4 metres long, holds over 400 litres. Our bin feeders are very well constructed yet light enough to be towed by ride on lawn mowers and motor bikes. There is a coupling at one end and toe ball at other end to connect another feeder. We use 2nd hand tyres as no warrant etc needed and this helps keep our prices down, our hubs and stubs and bearings are industrial quality made in NZ. Ideal for winter feeds, calves, water etc. The prices will not be lowered as these are very good value for money. We also do Dog kennels, Farm trailers, Gates etc and general engineering, especially those small jobs that are not economically viable for the bigger companies. Come and see us on Racecourse road, Winton, Phone Brett 022 198 3782
