Eyre House

This year we have had the privilege of being the leaders of the Mighty Green Machine Eyre House. After being a member of this house for the past 7 years, it's safe to say that green practically runs through our veins. Joining us this year in year 13 was our co-leader Ruby, Madeline and Rhea. Mrs Duncan, Mrs Pannett, and late edition Ms Bell after Mrs Mackenzie left at the end of term , were the Eyre House Teachers in 2023. This year we were pretty consistent with our results, as we came third in athletics, Swimming Sports and Cross Country. These results were not what we were initially aiming for but there was still one competition to come and it was the biggest house tournament of the year. **We pulled through when it came to Colours Day, where we came 1st!!!**

This was the first time in at least 5 years that Eyre House has won and we were honoured to spearhead the fearsome green team win. One highlight of the year was for a member of Eyre House to take home the annual rock paper scissor competition and trophy for the second year in a row, Charlie Chen this year after Sam Hamilton last year. Once again, we are beyond grateful to have had this house to help us feel like home over our years at this NSC and we hope to hear of a continued trend of success, as we pass on the mantle and let next year's leaders take the reins. **GO THE MIGHTY EYRE!!!**

Hokonui House

HOKI, HOKI, HOKI!

All year, the best house at NSC has been showing heaps of house spirit and it has been our pleasure to be the leaders of the house. Hokonui took out Athletics Day, Swimming Sports and Cross Country - thanks to the enthusiastic participation and skill of all members of our house. Mrs Coghlan's rousing speeches about participation and house spirit helped immensely! Hokonui got second place in the panel decorating competition too. Another proud achievement for a house rich in past victories. This year also saw the first interhouse Rippa Tournament, for which Hokonui won the junior division and came a close second in the seniors.

Credit once again to the participation, competitiveness and skills that we all know Hokonui has. At Colours Day, we once again saw the incredible house spirit of the Mighty Hokonui and we are both very proud of all the participants who gave a top effort. We didn't quite get there on the day points wise, but we did ourselves proud and looked very cool in our Super Mario gear! Since we have been at NSC, Hokonui has taken out both the Sports and overall house trophies, and we hope that this streak will not end with us. It has been a pleasure to lead you all to the victory we hope for at the end of the year. **Not matter the result; WE STAND TOGETHER, WE ARE HOKONUI!**

Lintley House

After six years of being in Lintley, I have seen the comings and goings of many fine individuals who have joined the dark side. Through the wins and the losses of Lintley House, we have stuck together, you may be able to beat us but you will never beat our pride. Lintley is so much more special than the other three houses because we are a family. This year we have had three new faces to the team, Ms Retallick, Mr Shaw and Mr Jackson. It's been a great year leading Lintley through our consistent dedication to trying our best.

Takitimu House

Throughout this year, I have had the privilege to lead the way for the hearty Takitimu House and we haven't let ourselves down. I've been extremely impressed with the way our little house has competed and put up a good fight in all the competitions this year. Everyone has been so encouraging and proud to be part of the mighty Taki, throughout Swimming Sports, Cross Country and Athletics. We have battled our way up the rankings from previous years and given our all against the other houses. To hear the year out this Colours Day, our theme was the Taki Smurfs. I'm proud of everyone who wore their blue with pride and gave it their all and despite the tough competition, we held our own in the sports. We did not let any other house get away with an easy game.

Many hours had gone in beforehand to help make this year be a good one for our house, thanks to the other seniors who were willing to give a hand when needed, and a special thanks to our teachers Mrs Rodgers, Mrs Maree, Miss Watts, Miss Stark and Mr Dixon for always being there to encourage us along in our competitions and help keep everything under control. So here's to this year and bring on the years to come.

GO THE MIGHTY TAKI !!
